Instructions for Preparing Form F-1120X Amended Florida Corporate Income/Franchise Tax Return

R. 01/22
Rule 12C-1.051, F.A.C.
Effective 01/22

Corporate income tax is imposed by section (s.) 220.11, Florida Statutes (F.S.). You must use Florida Form F-1120X to correct a tax return that you previously filed on Florida Forms F-1120 or F-1120A. Use Florida Form F-1120X to correct your return as originally filed or as later adjusted by an amended return, a claim for refund, or an examination.

Note: Florida law does not allow net operating loss carrybacks or capital loss carrybacks.

You must attach a copy of any schedule, form, or statement filed with the federal form that is applicable to your Florida Form F-1120X. A claim for refund is subject to audit verification and must be supported by proper documentation demonstrating the IRS has accepted the amended return and paid the refund so the Department of Revenue can process your claim. Such documentation might include a copy of the IRS letter approving

the refund or a copy of the refund check. You might also need a copy of the IRS transcript.

When to file – You may file Florida Form F-1120X only after you have filed the original return. You should file Florida Form F-1120X as soon as there is a change in the taxable income reported on your original return. Generally, you must file a refund claim within three years.

Time Limitations – You have 60 days to file Florida Form F-1120X after the adjustments to your federal taxable income have been agreed to or finally determined. These adjustments to your income may occur through a federal tax audit or a federal amended return. Per s. 220.23(2)(d), F.S., you must file a refund claim based on a federal audit adjustment within two years after the required Florida Form F-1120X filing date, whether or not you filed the Florida Form F-1120X.

Specific Instructions

Enter the current name and address of your corporation. If the corporation's name has changed since you filed the original return, write the previous name of the business on the line marked "Formerly known as." If the name has not changed, leave this line blank.

Check the reason you are filing an amended return. If it is the result of an amended federal return, attach a copy. If it is the result of an Internal Revenue Service (IRS) audit adjustment, attach a signed, dated copy of IRS Form 4549-A (Income Tax Examination Changes) or other document evidencing the completed audit. Form 4549-A is also referred to as a Revenue Agent Report (RAR). Enter the date of the IRS report. Check the box showing the type of return that you are amending.

Record the Federal Employer Identification Number (FEIN) of the corporation. Enter the beginning and ending dates of the tax year for which you are filing an amended return. Enter the date of the last return filed for your corporation.

Part I

Enter all data in Part I of Florida Form F-1120X. You may need attachments to support the entries in Part I. Attach an appropriate updated Florida Form F-1120 schedule if there are changes. Any substitute schedules must contain all the required information and follow the format of the Department's printed schedules. Include the corporate name and FEIN on all attachments. Incomplete or missing information on Florida Form F-1120X may cause processing delays.

The line numbers on Florida Form F-1120X correspond to line numbers of the Florida Form F-1120, with a few exceptions. We outline these exceptions below. In Column A, enter the specified amounts from Florida Forms F-1120 or F-1120A as originally reported or later adjusted. In Column B, enter the corrected amount.

Line 11 – Compute Corporate Income/Franchise Tax Due. Multiply Line 10 by the tax rate applicable to the taxable year end. However, taxpayers that paid Florida Alternative Minimum

Tax (AMT) and taxpayers subject to the Florida AMT (taxable years beginning before January 1, 2018 repeal of AMT) because of federal adjustment should compare "regular" Florida tax, on Page 1 of Florida Form F-1120, to the Florida AMT due on Schedule VI of Florida Form F-1120. The taxpayer is liable for whichever is greater, and should enter this amount on Line 11.

In column A on Line 11, include any emergency excise tax as originally reported or as later adjusted prior to your tax year beginning on or after January 1, 2012. Emergency excise tax adjustments are no longer necessary on an amended return because emergency excise tax was repealed and all amounts previously reported and paid have been converted to credits.

Line 13 – Total Corporate Income/Franchise Tax Due. Subtract Line 12 from Line 11.

Line 16 – Payments. On Line 16a, enter the amount of estimated tax payments including any allowed overpayment credit from the prior year. On Line 16b, enter the amount of any tentative tax payments sent in with Florida Form F-7004. On Line 16c, enter the amount of any tax paid with the return and any tax paid after you filed the original return. If you paid tax as the result of an audit, include proper documentation.

Line 19 – Total Amount Due or Overpayment. Subtract Line 18 from Line 15 and enter the difference of tax due or overpayment. If this line reflects tax due, also enter this amount in the space provided on the front of the payment coupon. Make any check payable to the Florida Department of Revenue.

Lines 20 through 22 – Overpayment. Indicate how you wish to apportion your overpayment:

- Enter on Line 20 the amount of overpayment from Line 19 that you want credited to estimated tax,
- Enter on Line 21 the amount of overpayment from Line 19 to be offset against underpayments for other years if amended returns are also being filed for other years, and/or

- Enter on Line 22 the amount of overpayment from Line 19 you want refunded. Sub S corporations must include the Notice of Acceptance as an S Corporation from the IRS if it has not been included with previously filed returns.

Part II – Explanation of Changes to Income, Deductions, Credits, etc. (Use the space provided and/or attach additional sheets.) Enter the line reference for which a change is reported. Give the reason for each change. If the change involves an item of income, deduction, or credit that Florida Form F-1120 or its instructions requires you to support with a schedule, statement, or form, attach the correct schedule, statement, or form to this Florida Form F-1120X. Explain any computational changes and attach supporting schedules.

Explain any changes in the apportionment fraction used on the original return. Use Schedules III and IV of Florida Form F-1120 to recompute the apportionment fraction and to determine the Florida portion of adjusted federal or net income. Attach these schedules to Florida Form F-1120X.
