Instructions for Florida Tax Credit Scholarship Program Notice of Intent to Transfer a Tax Credit

To transfer a tax credit or a tax credit allocation under the Florida Tax Credit Scholarship Program both parties to the transfer must be members of the same affiliated group of corporations.

The transferring member must notify the Department of any tax credit transfer prior to the receiving member reporting the tax credit on a tax return. A separate notice must be submitted for each member of an affiliated group of corporations receiving a transfer. The completed notice must be signed by an officer authorized to sign on behalf of the transferring business. Mail the completed and signed notice to:

Revenue Accounting
Florida Department of Revenue
PO Box 6609
Tallahassee FL 32314-6609

The Department of Revenue will send written approval regarding the amount of the tax credit transferred after receipt of a completed notice. You must have a letter from the Department approving the credit transfer prior to claiming the tax credit on a tax return.

The following tax allocations or tax credits may be transferred from one member of an affiliated group to another member of the same affiliated group:

- Tax credit allocations prior to making a contribution to an eligible nonprofit scholarship-funding organization.
- Tax credit allocations for which contributions have been made to an eligible nonprofit scholarship-funding organization, but the tax credit has not been claimed on a tax return.
- Carryforward tax credit amounts that have not been claimed on a tax return.

A transferred tax credit may only be used against the same tax as the original tax credit approved by the Department. For example, if the transferring member received a sales and use tax credit allocation, the receiving member may only use the transferred tax credit as a sales and use tax credit.

Members receiving a tax credit allocation must make a contribution to an eligible nonprofit scholarship-funding organization during the same period that the transferring member was required to make the contribution. The contribution must be made before the member may claim the tax credit.

A transferred tax credit may only be taken by the receiving member of the affiliated group during the same period that the transferring member was approved to take the tax credit.

A transferred carryforward amount may only be taken as a tax credit during the same time period as the transferring member was authorized to take the carryforward tax credit amount.
