Instructions for Completing Form DR-288062 Rural Community Investment Program Notice of Intent to Transfer a Tax Credit

Under the Rural Community Investment Program, a taxpayer is permitted to transfer unused credit to affiliates of a rural fund, as certified by the Florida Department of Commerce.

The transferring business must notify the Department of any tax credit transfer prior to the receiving business reporting the tax credit on a tax return.

A separate notice must be submitted for each rural fund affiliate receiving a transfer and for each tax type. A transfer of a tax credit allocation may not be submitted on the same notice as a transfer of credit or carryforward credit.

The completed notice must be signed by an officer authorized to sign on behalf of the transferring business. Submit the completed and signed notice to:

Revenue Accounting
Florida Department of Revenue or Fax 850-921-1171
PO Box 6609
Tallahassee FL 32314-6609

The Department will send you written correspondence either approving an amount of tax credits to be transferred or providing the reason a tax credit transfer could not be approved.

A transferred tax credit may only be used against the same tax as the original tax credit approved by the Florida Department of Commerce. For example, if the transferring business received a corporate income tax credit, the receiving business may only use the transferred tax credit as a corporate income tax credit.

A transferred tax credit may only be taken by the receiving business during the same period that the transferring business was approved to take the tax credit.

A transferred carryforward amount may only be taken as a tax credit during the same time period as the transferring business was authorized to take the carryforward tax credit amount.
