Florida law requires you to submit a bond or other form of security to the Department to obtain a Florida fuel license or pollutants license. You may submit an assignment of time deposit, bond, or an irrevocable letter of credit. A separate bond or other form of security is required for each product type or taxable pollutant. If you are licensed as an importer and a wholesaler, a separate importer's bond is required in addition to a wholesaler's bond. See Form DR-157W, Bond Worksheet Instructions (incorporated by reference in Rule 12B-5.150, F.A.C.), to compute the amount for each bond or other form of security.
